"DAHLIA OHIO"
E. H. BROWN
THE LARGEST DAHLIA GROWER IN OHIO
NAVARRE, OHIO

The ones that are marked ~~are~~ are my own varieties

A WORD TO OUR PATRONS

All stocks offered in this list is of our growing and we believe we have ample quantities of all varieties to take care of reasonable demands. However, our customers are strongly urged to place their orders as early as possible to make sure of getting them filled. Every year our stocks of a good many of the varieties are booked up long before shipping is started.

No claims for rejections or deficiencies will be entertained unless made within ten days after arrival of goods.

Never have my efforts to produce new and better varieties been so successful as during the past year

I wish to thank my many friends and patrons who have favored me with their orders and who have recommended my stock to their friends.

If you are looking for up-to-date Dahlias, do not hesitate to place your order with the largest Dahlia Grower in Ohio. Information regarding Dahlias, backed by my thirty four years of experience as florist and grower of high-grade flowers is yours for the asking.

We have a great many varieties of which the supply is very limited so we did not list them. If you do not see just what you want, write us and we will gladly give all the information we can.
